The First Annual

# Andrew H. Campbell Memorial Sporting Clays Tournament

## About Andrew H. Campbell

Andy Campbell was a great guy who will be remembered as a caring, hard-working and funny man who always thought of others first. He was lucky in his life to have two families. First and foremost was his immediate family – his wife, Cynthia and his children, Drew, Jamie, Katharine, and Margaret. His second was the Trinitas Regional Medical Center family.

Andy devoted an enormous amount of time and energy to Trinitas. He played an integral role in the merger that created Trinitas and worked tirelessly as board chairman to set direction for the institution that serves over 400,000 patients a year.

## The Andrew H. Campbell Memorial Endowment at Trinitas

The Campbell family felt the best way to honor Andy’s memory was to establish an endowment in his name that would continue his legacy of heartfelt service for the cause he loved the most — the people of Trinitas Regional Medical Center and the community they serve. The Andrew H. Campbell Memorial Endowment benefits the Trinitas Comprehensive Cancer Center, the newly formed Trinitas Palliative Care Program and nursing scholarships. Funds raised for the Endowment at events such as the AHC Memorial Sporting Clays Tournament directly support these important programs. This year’s event will support the Cancer Center.

## The Trinitas Comprehensive Cancer Center and the Andrew H. Campbell Pavilion

Located in Elizabeth, Trinitas Regional Medical Center is one of New Jersey’s most important safety-net hospitals, giving away tens of millions of dollars in free healthcare to needy patients each year. Despite this challenge, it has gained national recognition for its technologically advanced cancer care, wound healing center, sleep center and women’s health program.

The new Andrew H. Campbell Pavilion houses the Trinitas Comprehensive Cancer Center, providing crucial state-of-the-art outpatient services to patients diagnosed with a wide range of cancers. Your gift will allow Trinitas to continue their live-saving work.

The Trinitas Comprehensive Cancer Center was made a reality and continues to thrive because of the tireless efforts and generous donations of many people like you. We hope you will join the Campbell family and become part of the Trinitas family by getting involved with the Andrew H. Campbell Memorial Endowment for Trinitas.
